Madison Rahschulte is on a quest to run an event, mainly 5Ks, in all of the Indiana counties (92 of them). She began this endeavor on June 14, 2014 at 9 years old. She got this idea as a twist of the 50 state club for half marathons and marathons. Because all of the runs are within Indiana, it makes this goal more likely. This is a 5 year plan due to her other commitments of school, robotics club, journalism club, national honor's society, etc. If you see her out, please cheer her on and encourage her as she reaches for this goal.

92 out of 92 counties completed (as of 7/15/18)

Traveled 24,365.8 miles and 407:47 hours in the car
